ISSUE:

Award contract for the 5600 West Access to Centennial Park to Kriser White Construction LLC for \$95,514.00.

SYNOPSIS:

Competitive bids were solicited through public advertising and a formal bid opening was conducted under direction of the City Recorder. The winning bidder, Kriser White Construction, LLC will do the requested work for \$95,514.00.

Four (4) sets of plans were checked out on this project. The City received 3 (three) bids as follows:

Bowen Construction	\$135,618.60
Stapp Construction	No Bid
Conexco Construction	\$112,476.00
Kriser White Construction LLC	\$95,514.00
Engineers Estimate	\$89,500.00

BACKGROUND:

A partial access to 5600 West from Centennial Park was installed when Centennial Park was constructed. Since then, the use of the park has grown and there needs to be another access in and out of the park. Parks and Recreation submitted an application to UDOT to connect the drive to 5600 West with a Right In/Right Out configuration. The permit has not yet been approved by UDOT, but Parks and Recreation proceeded by preparing the project and soliciting bids. Work will commence as soon as the permit is received and contract is signed, weather permitting. The goal is to have the access available by West Fest.

RECOMMENDATION:

Award the 5600 West Access to Centennial Park Project to Kriser White Construction, LLC for \$95,514.00.
